

FRASCA WELCOMES PAUL STROUD POURING NATE READY'S SMOCKSHOP BAND

MONDAY JANUARY 22ND, 2018

Master Sommelier Nate Ready was Frasca's original wine director. After leaving Frasca, Nate explored the world of wine and has finally found his home in the Columbia Gorge. His Hiyu Wine Farm is a project of massive proportion. The Hiyu Wine Farm wines are stunning. As unique as Nate, they express the terroir while retaining an individual edge.

Smockshop Band is the second label from Hiyu Wine Farm - it is an "exploration of the Columbia Gorge by the team at Hiyu Wine Farm". The fruit is all farmed naturally and all comes from the diverse terroirs of the area. Local distributor Paul Stroud will be on hand to pour three Smockshop wines. This should be a very fun Monday night.

WINE FLIGHT: \$50
